✓ 2. Announcement of the SALS proposal to run a summer school program dealing with Africa has reached the offices and inquiries are beginning to come into OTR.

3. Arrangements were made for a representative of the Agency to be admitted to the East Coast Guided Missile Course which commenced on 5 October 1953, under the auspices of the Bureau of Ordnance, Department of the Navy. Since this is the Agency's first representative in the course, future plans for continued utilization of this course will be dependent upon a final analysis at the completion of the course.

4. At the request of OSI arrangements were made for the admission of one of their people to a course entitled "Instrumentation in the Sciences" at the Graduate School of the National Bureau of Standards.

5. A combined total of 198 students are presently enrolled in introductory and self-study courses in the Language Training Branch. Sixty-three of these people are in classes and 135 are in self-study programs.

6. During the past week, the language laboratory was used for a total of 389 hours, 157 hours of which were outside the normal working day.
